**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This Communication is filed in response to the Notice of Non-Compliant Amendment ("NCA") dated November 17<sup>th</sup> 2006 issued by the United States Patent and Trademark Office. The NCA was issued for an Amendment attached to a Petition to Revive along with a Request for Continued Examination filed on December 28<sup>th</sup> 2005.

The NCA stated that the newly submitter claims: (1) were improperly numbered, and (2) mirrored claims originally submitted with this application but which were withdrawn due to a restriction requirement. Applicants have corrected the numbering of the new claims and admit that the new claims mirror claims which were not elected during previous prosecution. However, since Applicants have submitted an RCE with the claims and dropped all the old claims, Applicants see no issue with the fact that the new claims mirror previously withdrawn claims.

A response to the November 17<sup>th</sup> 2006 NCE was due December 17<sup>th</sup> 2006, a Sunday. Accordingly, this response, which addresses the numbering problem and which is being filed on the following business day is fully responsive and being timely filed.
